

SAYRE PUBLIC SCHOOL FOUNDATION

Inspire student success with Imaginative teachers' grants and Innovative programs

April 6, 2026

Dear Educators,

It's a great day to be an Eagle. Grant applications for the 2026-2027 school year have officially opened. Grant limit is \$17,500 and there is no restriction on the amount requested for a grant.

Funding is intended to support innovative or enrichment opportunities. Our goal is to supplement—not replace—school-provided resources. Grant funds may not be used to purchase materials, programs or curriculum that fall within the school's standard budget responsibilities.

Please take note of the following guidelines:

- No Chromebooks will be funded due to licensing and security issues.
- No furniture with the exception of sensory furniture for students.
- No printers
- No school supply items
- Playground items should be permanent to the school and have the approval of the building principal and superintendent.
- All computer software must be acceptable to district standards.
- Teachers may apply as a group for a project

Applications are available at www.sayrepublicschoolfoundation.org

Deadline for applications is May 27, 2026 @ 3:00pm. Late applications will not be considered.
